

LEEWARD YMCA NOVEMBER UPDATE

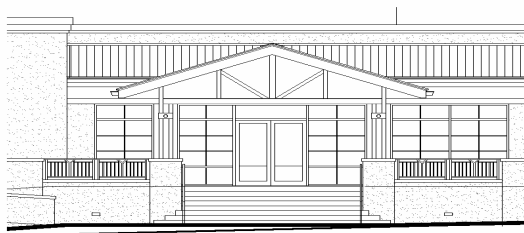

The New Leeward YMCA

The new facility will be located in the heart of historic Waipahu. It is an investment into the future of the Leeward community by providing a safe environment where families know the Leeward YMCA is their place to be.

The new facility will incorporate the Oahu Sugar Mill factory smokestack, which has been a symbol in the community for many years. The Leeward YMCA will be breathing life back into the mill, as it will once again become a gathering place for the residents of Waipahu and the Leeward coast.

- Completion scheduled for early 2007
- Cost: \$13.5 million
- Most comprehensive fitness facility in the state (42,000 square ft)
- Six lane swimming pool (25 yards)
- Family and Special needs locker rooms
- Child Watch
- Exercise and meeting rooms
- After-school mentoring and tutoring
