

Kalihi Y Mission

The Kalihi YMCA has been serving our neighborhood since 1946. Kalihi Y is part of the Honolulu YMCA which has been serving Hawai'i since 1869. The YMCA has nine facilities on O'ahu.

Our over-all mission is to assist children and teenagers to develop a healthy body, mind and spirit by providing recreational and educational opportunities, and by helping them to change behaviors that are causing them problems.

**We build strong kids, strong families,
strong communities.**
